Cheryea Womack
Chester High School Graduate 2008

Cheryea Womack is a caring, dedicated, and grounded young lady who cares greatly about her community. Cheryea Womack has served as a Peer Mentor for Crozer Chester Medical Centers' Wellness Center, and is the past president of Phenomenal Young Ladies, Inc. While maintaining an excellent grade point average

Cheryea was still able to serve as the Vice President of the Chester Youth Collaborative, Senator of Chester High School's Student Government, and member of the Key Club. Cheryea Womack's academic drive and innovative talent proves her ability to excel in an academic setting of higher education. Cheryea thrives on partnership with others and respects individuals of all different backgrounds. She has worked hard academically to be accepted as an incoming freshman student at Bloomsburg University, and hopes to one day become an affluent nurse.
